

## State of play C-OSS and coordination of works

Meeting of the Advisory Group of Terminal owners and managers (TAG) and the Railway Undertaking Advisory Group (RAG)

Jan Deeleman and Florian Müller

Co-financed by the European Union  
Trans-European Transport Network (TEN-T)

# State of Play Coordination of Works

*Make RFC 8 „always” available for transport*

## **Done**

- Kick-off meeting with representatives of IMs;
- Observer at the coordinating meeting of RFC 1 and RNE.

## **Doing**

- Participating in RNE Working Group to optimize RNE Guidelines;
- Participating in common coordination meetings with RFC 1;
- Preparing coordination between IMs and collection of results.

## **Outlook**

- Look for an effective communication with Applicants in process (RUs participating in common coordination meetings with other RFCs);
- ‘go live’ in coordinating works between IMs;
- ‘go live’ in publishing harmonized works on the corridor website.

# State of Play C-OSS

*Providing seamless capacity to customers*

## **Done**

- Defined scope and tasks of C-OSS;
- Agreed on C-OSS hosted by DB Netz;
- Aligned procedures and products with RNE and other RFCs.

## **Doing**

- Informing customers;
- Investigating needs of applicants;
- Testing internal procedures between IM's to prepare path offer 2017.

## **Outlook**

- Make path offer for TimeTable 2017 in PCS;
- Promotion of products to customers;
- Optimize involvement of customers;
- Optimize path products and procedures (RNE).

# State of Play PCS

## *One system for international path requests*

### **Done**

- Adapted PCS for the flexible approach;
- Imported RFC8 parameters, nodes, and characteristics in PCS;
- Developed process for constructing and publishing RFC8 PaPs in PCS.

### **Doing**

- Importing test PaPs in PCS;
- Testing construction and publishing of PaPs in PCS;
- Involve Timetable constructors in PCS process.

### **Outlook**

- Involvement of interested Applicants in process;
- Testing PCS (Next Generation) with customers in November 2015;
- Import the first PaP catalogue for Timetable 2017;
- Publication of first PaP catalogue in January 2016.
